Hair Loss News

Results that give a great overview of exactly how effective Revivogen is, in the eyes of the users...The combined results comparing both the Revivogen Consumer trials and the HairlossTalk Revivogen Consumer Trial results. Gives a great overview of exactly how effective Revivogen is, in the eyes of the users...HairlossTalk and Revivogen Consumer Trials - Combined Report July 15, 2001 - San Diego, CA

We took both the HairlossTalk (24 Participants) and the Revivogen (26 Participants) consumer trial feedback and have put together a set of combination results.

These results represent exactly 50 users on Revivogen who have used it for anywhere from 3 months to 1 year. Most users were on it for at least 5 months, and as you can see below, Revivogen seems to have maintained or regrew hair for approximately 72% of people.

50 Participants in the combined HairlossTalk & Revivogen Consumer Trials

72% Maintained or Regrew their hair

28% saw no response
