Read about it here...For Immediate Release HairlossTalk announces the addition of the new Revivogen Thickening Conditioner to its product center, dedicated entirely to those fighting their hair loss.

Advanced Skin and Hair, Inc. the maker of Revivogen product line announces the addition of its new product, Revivogen Thickening Conditioner.

Revivogen is the leading dermatologist formulated natural product for hair loss and thinning hair. The new addition to the product line, Revivogen Thickening Conditioner was first conceived due to popular demand of Revivogen users.

Revivogen Thickening Conditioner is specifically formulated for the needs of the users who suffer from hair loss and thinning hair. It replenishes moisture, strengthens the hair shaft, and adds volume and shine to the limp hair, creating thicker and fuller head of hair.

Revivogen Thickening Conditioner complements Revivogen Scalp Therapy and Shampoo and can be use in conjunction with all other hair care products. Revivogen products and Thickening Conditioner are safe for color treated hair and leave a fresh and clean feeling after use.

Revivogen Thickening Conditioner is available in 12 oz. size through HairlossTalk.com and retails for \$22.00 as a single item. You can save \$5.00 off the price by purchasing it with the Shampoo.
