Site Updates

Before and after pictures of Jon while on Propecia and Rogaine, great resultsWe originally got in touch with Jon Ross a few months ago and acquired permission to present his photos and hair loss treatment success story on our site. You won't believe the results he's had... Jon kindly agreed and gave us his entire story to add to it. Jon has made use of the increasingly popular Propecia / Minoxidil 5% combination treatment, and you won't believe the results he's had... Jon kindly agreed to let us not only post his pictures but his entire story as well. He has made use of the very popular Propecia / Minoxidil 5% combination treatment. Check out his pictures here:
